

Kids Are... Matching Game

Start by placing two sets of identical cards on a flat surface with the "kids are..." side up. Flip the cards by yourself or with a friend to match the words.

Consider adding some more space, some more friends and more cards to try the deluxe challenge with three different color cards.

Take turns to flip one card of each color and match each word to test your memory skills.

It's okay if you don't know what a word means! If you're uncertain about a word on a card, you could find out by asking a grown up, looking it up in a dictionary or talking to a friend or sibling.
